TECHSOLV-EF SOLVENT / DEGREASER

A 100% Volatile, Environmentally Responsible,
Non-Ozone Depleting, Solvent/Degreaser Tested
and Proven to Exacting Industrial Standards

TECHSOLV-EF is an operator safe, 100% volatile, moderate strength, non-ozone depleting, environmentally responsible, engineered solvent blend.

TECHSOLV-EF was designed to accomplish 80% of normal industrial applications. During the product's formulation, user safety and environmental compatibility were prime considerations.

TECHSOLV-EF evaporates completely in 5 to 10 minutes when wiped or blown to a thin film, leaving less than 100 ppm non-volatile residue. In open containers, its evaporation rate is about that of water.

TECHSOLV-EF has no CFCs, HCFCs, HAPs or SARA 313 reportables and carries a NPCA-HIMIS rating of 1 [slight health]. It has a slight citrus odor, and our recommended occupational exposure limit, TWA, is 300 ppm.

TECHSOLV-EF does not contribute to ozone depletion and has an ODP rating of 0. The product has a Tag Closed Cup flash point of $<144^{\circ}$ F [ASTM D56] and is considered a class III combustible by OSHA and DOT, and carries no RCRA hazard warnings in its unopened state. Therefore, depending on the listing of the contaminate, it does not require the use of hazardous chemical waste handling and disposal methods.

TECHSOLV-EF is based upon the formula that began its industrial testing in 1989, and passed strict compatibility testing on metals, plastics, paints, coatings, laminations, rubbers, etc.

TECHSOLV-EF will remove hundreds of different industrial contaminants in various industrial processes and cleaning applications, such as: wipe on/wipe off, dip tanks, spray applications, etc.

ITEM#	DESCRIPTION	PACKAGING	SHIPPING WEIGHT
TS-EF-55	55 gallon plastic drum	1 drum	385 LBS
TS-EF-05	5 gallon plastic pail	1 pail	36 LBS
TS-EF-01	1 gallon plastic jug	6 jugs	42 LBS
TS-EF-32	32 ounce bottles w/squirt tops	12 bottles	22 LBS
TS-EF-W-150	saturated wipe	150 wipes	6 LBS
TS-EF-PW-250	7.5" x 14" saturated wipes in pop up bucket	1 bucket (250 wipes)	11 LBS
